

## Positano View Villa apartments

A choice of two villa apartments located just 3 km outside of Positano, these villa apartments offer the guest a spectacular view of the sea, Positano and the island of “Li Galli” from the setting of lush Italian gardens. The larger apartment has 3 bedrooms, two bathrooms of which one is en suite and can accommodate up to 8 people. The smaller apartment has 2 bedrooms and two bathrooms and can accommodate up to 5 people maximum.

Both apartments feature superbly fitted kitchens, lounge and dining areas. Whilst there is more than enough parking provided, the villa is serviced by the internal bus from Positano as well as the SITA buses which travel along the Amalfi coast. If you don't feel energetic then arrangements can be made for groceries and supplies to be delivered to the villa. You will truly feel at home and will never want to leave! Bookings are for a minimum of a week in season but shorter duration may be considered in the mid-season period when demand is lower.
